SUMMARY

Early Years Educator and Curriculum Designer with 5+ years across preschool classrooms, inquiry-based learning studios and family learning programmes for children aged 1–6. Brings Mandarin-medium teaching experience, with strengths in lesson planning, classroom management, child development, early literacy and oral language development, STEAM integration and family engagement. Uses observation and learning documentation to adapt learning experiences to children's questions, interests and developmental readiness. Designed and facilitated 50+ parent-child workshops serving 100+ families across inquiry, sensory and STEAM learning themes. Seeking to contribute to bilingual Mandarin–English early years settings in Singapore.

PROFESSIONAL EXPERIENCE

Co-founder & Lead Educator
2024 – Apr 2026

WIND LAB — Mandarin-medium inquiry-based early learning studio, Zhubei, Taiwan | Wind Lab archive (Instagram)

- Co-founded and led an inquiry-based early learning studio for children aged 1–6, integrating play, STEAM and social-emotional learning into curriculum design.
- Developed learning provocations, environments and hands-on STEAM experiences that invited children to test ideas.
- Used observation and learning documentation to identify children's interests and adapt learning experiences.
- Led family engagement through parent communication and inquiry-based learning experiences.

Lead Teacher
2022 – 2024

Non-Profit Preschool — Mandarin-medium early years classrooms, Taipei, Taiwan

- Led two early years classes: 16 two-year-olds supported by two educators, and a mixed-age class of 20 children aged 2–5; managed curriculum planning, daily routines, learning experiences and family communication.
- Developed age-appropriate thematic units integrating sensory exploration, storytelling and creative expression.
- Adapted learning experiences and support in response to children's developmental readiness and emerging interests.
- Supported independence, cooperation and early self-regulation through responsive teaching and Positive Discipline.

Curriculum Designer & Lead Instructor
2018 – 2022

3X3 Education Group | Flower Sister Early Learning Studio, Taipei, Taiwan

- Developed and delivered hands-on early learning programmes integrating creative arts, sensory exploration and inquiry.
- Facilitated parent-child learning experiences across different ages and developmental stages.
